survive in the underground.
guided tour - civilian bunker sonnenberg

Experience Sonnenberg—the largest former civilian bunker in the world, located in the heart of the city of Lucerne!

On a 2-hour walk we furnish you with stories and insights into this former shelter. The tour leaves an interesting impression of the Cold War times and the fear of the nuclear bomb, in addition to illuminating its use today.

Date: from summer 2008 daily upon request.

Participants: max. 20 persons

Price: CHF 280.- per group, all included

Meeting point: Access to the underground shelter is next to the Sälihalde children's playground in the city of Lucerne (Bus Nr. 10: station Berglistrasse)

For more information on tours, contact Andrea Huwyler-Bachmann:
andrea.huwyler@unterirdisch-ueberleben.ch

The project **survive in the underground** was commissioned by Canton Lucerne's Department for the preservation of historical monuments and supported by the City of Lucerne.
